

Veterinary
Dental
SOLUTIONS

Veterinarian or Veterinary
Facility Promotion Details

- Complete **veterinary dental solutions** for improved animal health. Midmark's innovative products and services range from dental carts to digital dental x-ray.

We partner with you to design efficient work spaces that are ergonomic, low maintenance, easy to use and are supported by our nationwide service network.

And, from **January 1st – March 31st**, you can take advantage of the great incentives we're offering on select veterinary dental products. ■

VETPRO® 1000

Oil-free, Worry-free, Hassle-free

- Eliminates oil exposure to patient
- Healthy alternative for patient and clinician
- No messy oil changes
- Ecologically friendly
- Reduces costly handpiece degradation
- Improves dental bonding quality

VETPRO® 5000

Put the tools you need where you need them

- Unique, patented, whip-style delivery head* allows for virtually infinite positional possibilities, promoting efficient patient care
- Automatic handpiece activation allows you to focus on the patient and procedure instead of fumbling with hand controls
- Integrated Acteon Satelec® Piezo Scaler
- Self-contained, oil-free compressor
- Toggle between water reservoirs without depressurizing the system
- Secure into place with locking casters

*Patent No.: US D605,772 S

CANIS MAJOR™ LIFT TABLES

Position the patient at the height that's right for you

- Height adjustable from the floor up to a maximum height of 44"
- Greatest range of motion on the market
- Quality features you need to create unparalleled efficiency in your practice

WET TREATMENT TABLES

Warmer in appearance than stainless, more durable than wood laminate

- Wet tub is excellent for all dental procedures
- Removable hair trap and easy clean drain to simplify maintenance
- Available in both 48" and 60" lengths with a standard 300 lb weight capacity
- Baked-on epoxy finish means no rusting due to water exposure
- Perpendicular design allows unrestricted access to the patient on both sides of the table
- Integrates seamlessly with Midmark Casework for a durable, aesthetically pleasing look
- Internal modular design with customizable door and drawer configurations

354 & 355 SURGERY LIGHTS

- Less than 2 ½ lbs of force easily maneuvers the light to the desired position
- Available with five-caster base for mobility and single or dual ceiling mount versions for ceilings ranging from 8 – 10 feet
- Provides an even distribution of light with superior shadow control and truer color
- Fully autoclavable handle

DENTAL LIGHTS

- Advanced shadow reduction
- Upfront touchpad controls
- Three axis of rotation
- Automatic on/off setting
- Three intensity settings
- Independent composite safe setting
- Integrated voltage regulator
- 150W halogen lamp

DENTAL STOOLS

- A contoured seat with raised front to improve weight distribution and comfort, promoting a more balanced posture
- Waterfall front edges that reduce pressure on the back of the thighs
- Multiple seat sizes and seat heights, paired with unsurpassed adjustability for a personalized seating solution
- Forward tilt allows you to open the hip angle over 90 degrees, helping to maintain the natural curve of the lower back and reduce disc pressure
- Contoured backrest and optional adjustable armrests to reduce fatigue in the lower back, neck and shoulders
