

BETTER. ACTUALLY.

Dear Valued Abaxis Customer,

March 2010

We want to extend our continued commitment to you!

The VetScan product line has grown significantly over the years and we have continued to keep our commitments to the Veterinary Community, and that is to be the most cost effective, accurate, reliable instrument line in the Veterinary Market.

In appreciation for your business, we are extending the following:

Order two 96 packs of CDP rotors, and receive a complimentary box of 25 Canine Heartworm Rapid Tests. That's a value of \$100.00!

In addition, you get \$4.00 off per CDP rotor for the 96 pack vs. the 12 pack.

Call your authorized Abaxis distributor and place your order of two 96 packs of CDP rotors between March 1 - 31, 2010 and Abaxis will send you a complimentary box of 25 Canine Heartworm Rapid Tests.

If you do not have an Abaxis distributor or have additional questions, call us at 1.800.822.2947 or email at vetscansales@abaxis.com.
