

Veterinary School Matching Goods Program

For more than two decades, IVX Animal Health/DVM Pharmaceuticals has served the animal health industry. Breakthroughs in veterinary science pioneered by leading colleges of veterinary medicine are a valued source of information and feedback to IVX/DVM. This work has resulted in expanded product research, formulation enhancements, and improvements in product delivery systems.

To support this important process, IVX/DVM will supply schools of veterinary medicine the following promotion on a quarterly basis.

VETERINARY SCHOOL MATCHING GOODS PROGRAM

Purchase 1 case of IVX/DVM product Receive 1 like case **FREE!**

(Gallon size = 1 case)

The above promotion is on all IVX/DVM products purchased from distributors during the quarter. Matching free products will be sent by IVX/DVM.

Program Guidelines

To obtain the matching free goods, simply:

- Free Goods to be shipped by IVX/DVM upon invoice verification.
- Qualifying product must be purchased on one invoice.
- Backorder invoices must be included.
- Cannot be combined with other IVX/DVM Free Good or Premium Item program.
- Qualified invoices must be from one clinic ship-to location.
- **Partial case purchases do not qualify for match.**
- Must be submitted within 30 days of invoice date.
- Please allow 3 to 6 weeks for delivery.
 1. Fill out the form on the bottom.
 2. Attach a copy of your distributor invoice that indicates the purchase of qualifying IVX/DVM products. *Note: Backorder invoices must be included.*
 3. Mail or Fax this form along with the invoices, to:
